Technical Specification

25-Year Limited Warranty

CraftStone® products carry a 25-year limited warranty when used on structures that conform to local building codes and installed according to the manufacturer's instruction. Warranty is limited to replacement of defective materials only. Damages resulting from building settlement, wall movement, force contact, contact with chemicals or paint, discoloration due to airborne contamination, staining or oxidation, will not be covered under the warranty. Warranty is non-transferable and is only limited to the original purchaser.

Non-Combustible

CraftStone® products show zero flame spread and zero smoke development.

General Properties

Material Composition: Portland Cement, Light-Weight Aggregates and Iron Oxide Pigments.

Unit Weight: 30~40kg/m² (varies according to profile)

Thickness: 15~60mm (varies according to profile)

Water Absorption: <13%

Open Porosity*: <35%

Compressive Strength*: >12.0N/mm²

Flexural Strength*: >5.0N/mm²

*Test reference to NBN EN 1926 (1999), NBN EN 12372 (1999)

Cert No.: 022-022
Eco Friendly
Building Material

CraftSeal Nano Technology

Water Repellent

CraftStone® products feature the addition of water-based CraftSeal that greatly enhances the stone's performance in humid condition.

CraftSeal is applied onto all our products before packaging to provide the maximum water repellent effect.
